

**Ingredients:**

4 medium apples - chopped  
3/4 c. chopped walnuts (6 oz.)  
1/2 box of golden raisins  
1/2 teaspoon cinnamon  
1/4 c. honey

**Directions:**

Choose crisp, flavorful varieties of apples and chop them rather small, about the size of the raisins.

Combine nuts, raisins, cinnamon and honey in large bowl. Stir and begin adding apples. Stir after each addition. Store with plastic wrap pushed down to seal. Serve cool.
